

Introducing Simply Voting

This is the voting platform used by the BCAFN to conduct online voting. It makes voting online simple, convenient and secure. You can access Simply Voting on any internet connected computer, tablet, or smart phone.

A 15-minute tutorial on how to use Simply Voting will be offered during the AGM at 5:30 pm on November 17th. Below these instructions are screen shots of the steps you will see when you vote.

How Simply Voting Works

- 1) Your registration for the BCAFN AGM included your email address as well as your status card number. These will be used as part of the process for you to access the ballots on Simply Voting.
- 2) Shortly after 6 pm on November 17th an email will be sent to you containing a link to the voting platform as well as a password.
 - a) Links will only be sent to member delegates and proxies that were properly registered for the AGM and who were present at the meeting.
 - i) To be deemed "present" at the zoom meeting, a member delegate or duly appointed proxy must have been granted access to the Zoom meeting room.
- 3) Clicking on the link in the email will take you to the Simply Voting welcome page.
 - a) You may login using your Status Number and Password (from the email)
- 4) If your login was successful, you will be shown the ballot for Regional Chief and Female Youth Representative.
 - a) You may select one choice on each ballot.
 - b) If you aren't able to login, contact the Electoral Officer for assistance.
- 5) Once you submit the ballot, the results are encrypted and stored in a database. Your Elector ID is then flagged as "voted" and will not be eligible to vote on this ballot again.

Privacy and Security

Simply Voting was designed from the ground-up to minimize the risk of electoral fraud. Voters who bypass authentication or have already voted are denied access to the ballot, and ballots are checked for validity before being accepted. Nobody could ever find out what a particular voter has voted as the results are stored anonymously.

Communication between your computer and Simply Voting is encrypted with TLS 1.2. The servers are "hardened" and are routinely subjected to PCI Compliance security

scans. Simply Voting application code adheres to guidelines set out by the *Open Web Application Security Project*.

BCAFN 2020 AGM TEST

BCAFN <vote@simplyvoting.com>
Thu 2020-11-12 3:34 PM
To: You

Hello Ron Laufer,

You are registered to vote as a BCAFN member delegate or proxy. The voting period has **now begun**. The voting period will continue **until Wednesday, November 18 at 11:30am PST**.

To vote, please visit: <https://BCAFN.simplyvoting.com/>

Then enter:

- 1 - Your Status Card Number (or BC Drivers License number if you submitted that ID instead)
- 2 - Password - CQBT9

If you'd like to know more about the candidates, you can review their candidate statements on the ballot or on the BCAFN website.

If you have any questions about the election, please contact the BCAFN [Electoral Officer](#).

Thank you for your participation
