Greetings Executive Committee Members,

It has been seven months since Resolution 1/2022 *Renewed Framework Providing Strategic Direction and Action Toward Evolutionary & Positive Change* was passed by the First Nations in Assembly.

We would appreciate feedback from your regions prior to preparing the final report to the Chiefs in Assembly, which will be presented in April at the SCA. I also request you to submit the chief that you will appoint to the adhoc technical advisory committee.

I request that you submit your regional feedback and the name of your appointee to my Senior Executive Assistant, Samantha Lickers, at [ncea@afn.ca](mailto:ncea@afn.ca) **by March 17, 2023.**

Looking forward to your feedback/submissions.
